

Scaglioni

COMPANY PROFILE

Azienda produttrice leader nel settore di tende a trazione manuale e motorizzata.

L'esperienza raggiunta in oltre 30 anni di lavoro e l'impegno costante nell'evoluzione del mercato, hanno portato alla realizzazione di prodotti sempre molto competitivi ed innovativi che hanno fatto del marchio Scaglioni un sinonimo di qualità, design, tecnologia e affidabilità.

L'azienda condivide il suo vasto know-how e la rinomata esperienza con professionisti di tutto il mondo e soddisfa le loro esigenze, ispirati da innovazione ed esclusività, contribuendo attivamente a realizzare proposte architettoniche e d'arredamento d'avanguardia.

Il marchio SCAGLIONI è presente con i propri prodotti in molti paesi del mondo, dove ha affermato il suo prestigio contribuendo alla realizzazione di progetti sia in ambito residenziale che pubblico.

La "Qualità" è alla base delle scelte aziendali in ogni fase lavorativa: partendo dal costante investimento nella Ricerca & Sviluppo, che garantisce innovazione e tecnologia, passando attraverso agli approfonditi studi progettuali ed estetici di esperti designer e professionisti del settore, fino a giungere all'insostituibile maestria dei nostri artigiani.

Da sempre SCAGLIONI dedica particolare attenzione alla consulenza, offrendo un servizio completo e personalizzato, dal progetto iniziale alla realizzazione, posa e manutenzione, grazie ad una rete di partner selezionati. I clienti trovano in SCAGLIONI le competenze più adatte a ogni esigenza, anche la più innovativa ed estrema.

Una vasta gamma di tessuti, trame e colori, un'ampia disponibilità di prodotti a magazzino, la rapidità delle spedizioni, coadiuvate da una rete capillare di selezionati rivenditori, completano il successo e pongono la SCAGLIONI s.r.l. tra i leaders del mercato nazionale ed internazionale.

SCAGLIONI Srl is leading manufacturer of decorative curtain rods and manually & motorized blind systems.

The experience gained in over 30 years of work and the constant commitment in the evolution of the market, have led to the creation of more and more competitive and innovative products that have made our brand name synonymous with quality, design, technology and reliability.

SCAGLIONI shares its wide know-how and its renowned experience with professionals from all over the world, we satisfy their needs inspired by innovation and exclusivity, actively helping to achieve advanced proposals in both architectural and furniture fields.

SCAGLIONI's brand name is present with its products in many countries of the world where it has affirmed its undisputed prestige by contributing to the realization of projects in both residential and public fields.

"Quality" is the basis of all corporate's decisions in all phases of production: from the constant investment in the Research & Development study which guarantees innovation and technology, through the in-depth and aesthetical studies of expert designers and professionals, up to the incomparable mastery of our craftsmen.

SCAGLIONI has always dedicated great attention to consultation, offering a complete and customized service, from the initial project to the production and the final installation thanks to a selected list of partners. Customers always find in SCAGLIONI the most suitable solution to their needs even in the most innovative and amazing idea.

Wide range of fabrics, textures and colors, availability of products in stock, express shipping service supported by a network of selected retailers, distributors and wholesalers complete SCAGLIONI's success and put the company among the leaders of both domestic and international markets.
